14 PAYMENTS BY BUYER TO CTS

- 16.9 **Buyers acknowledge that each lot is to be regarded as the subject of a separate transaction.**
- 16.10 The Auctioneer shall determine and regulate the advance of the bidding and shall be entitled, in his sole discretion, to ignore or reject any bid, without giving any reasons for such action.
- 16.11 The amount of a bid shall not include VAT.
- 16.12 If, following the conclusion of a sale, it transpires that the person to whom a horse was sold was not, at the time of such sale, in possession of a valid Buyer's Card, that sale shall be null and void and the horse may immediately be re-auctioned.
- 16.13 Upon the fall of the hammer in respect of any horse offered for sale at the Auction :-

- 17.2 **The Buyer agrees to release, defend, indemnify and hold CTS, its officers, employees, agents and representatives (including the Auctioneer) and the owners or operators of facilities in use by CTS, harmless from all losses, damages, liabilities, expenses, claims, causes of action or legal fees arising out of or related to the possession, care, keep, custody, control or maintenance of any horse bought by him at the Auction, including any claims arising out of injuries, sickness, death or damage caused by or to the horse after the fall of the hammer, save where CTS is held liable in terms of section 61 of the CPA.**
- 17.3 The Buyer shall not allow or cause any horse bought at an Auction to become subject to any lien, hypothec or other form of security until such time as the sales invoice in respect of such horse has been settled in full. In the event of such lien, hypothec or other form of security arising, CTS shall be entitled to act in accordance with clause 19.4.
- 17.4 Save as provided in these Conditions or unless other prior arrangements in writing have been made with CTS, a Buyer shall be obliged to remove any horse purchased at the Auction promptly from the venue after the Auction. Should a Buyer fail to remove the horse promptly, CTS may remove the horse from the venue at the Buyer's risk and expense or, alternatively, charge the Buyer for stable space and keep, which charge the Buyer agrees to pay to CTS on demand.
- 17.5 No horse may be removed from the venue before a release permit in respect of that horse has been issued by CTS.
- 17.6 **Ownership in a horse shall only pass to the Buyer upon settlement in full to CTS of the debt (notwithstanding that a horse may be delivered to or removed by the Buyer prior to the Buyer's settlement of the debt). - 17.7 CTS reserves the right not to release a horse to a Buyer, and to keep it stabled at the cost and sole risk of the Buyer, until settlement in full by the Buyer of the debt payable in respect of the horse, during which time the Buyer shall have no right to –

- 18.1 The Buyer shall comprehensively insure the respective interests of CTS and himself in all horses bought by him at the Auction for a period commencing at the fall of the hammer and enduring for a period of 90 days.
- 18.2 The Buyer shall ensure that CTS's interest is endorsed on the insurance policy until payment of the amount owing in terms of the insurance policy is settled in full by the Buyer, provided that:

- 18.2.1 If the purchase price of any horse remains unpaid after the period stipulated in the terms of payment applicable to the sale, for any reason whatsoever, then CTS shall be entitled, at the cost of the Buyer, to extend such aforesaid period of insurance until such time as the purchase price is actually settled by the Buyer;
- 18.2.2 where the purchase price is settled before the period stipulated in the terms of payment applicable to the sale has elapsed, the Buyer shall be entitled to cancel the policy of insurance with effect from such date and to apply for a credit for the unused portion of insurance.
- 18.3 The cost of the insurance contemplated 18.1 will be added by CTS to the sales invoice.

- in either event without prejudice to CTS's right to claim and recover damages for breach of contract.**
- 19.2 In the event of repossession of a horse, CTS may take all necessary steps, and enter upon any land or premises, to recover possession of the horse. The Buyer agrees to voluntarily hand over the horse to CTS or its agents or to instruct his employees, servants, trainer(s) or whoever is in possession of the horse to do so. All costs and expenses occasioned by such repossession shall be recoverable by CTS from the Buyer.
- 19.3 **The Buyer acknowledges and agrees that if he for whatever reason refuses to voluntarily hand over the horse in the circumstances described in 19.1, CTS shall be entitled to immediately apply for and obtain a repossession order from a court of competent jurisdiction and that opposition to such application shall not be justified and shall attract an adverse costs order.**
- 19.4 Where any person claims to have a lien over any horse in respect of which the purchase price has not been paid, CTS, in its sole discretion, has the right to settle such lien as it deems fit to recover possession of the horse. Any monies so paid in discharge of any lien shall form part of the debt which CTS shall be entitled to recover from the Buyer in addition to any other amounts which may be outstanding by the Buyer.
- 19.5 Notwithstanding the cancellation of a sale by CTS, CTS shall be entitled to retain:
- 19.5.1 any sums paid by the Buyer in respect of the debt; and/or

- 19.6 Should CTS elect to cancel the sale and repossess the horse sold, CTS shall be entitled, but not obliged, to attempt to re-sell the repossessed horse at any future auction. If the repossessed horse is sold, then the purchase price, if and when paid in full, shall be used in reduction of the shortfall, if any, which may have resulted by reason of the breach by the Buyer and the resultant cancellation of the sale. CTS shall also be entitled to re-sell, in absentia of the Buyer, any horse in respect of which removal or repossession has been omitted or refused.
- 19.7 If a sale is cancelled, whether the horse is re-sold or not, the defaulting Buyer agrees to pay inter alia transport and keep costs, veterinary fees, insurance, loss of interest and loss of income (e.g. Sales Commission), on the purchase price in respect of such horse.
- 19.8 Any shortfall remaining after the resale of such lot shall be made good by the defaulting Buyer on demand from CTS.
- 19.9 If a sale is cancelled and a horse repossessed in terms of this clause 19 and sold at a future sale of CTS, the levies payable by the Vendor in respect of the original sale will be cancelled and claimed from the defaulting Buyer. New levies will be raised on the future sale.
